

## About

Bangkok is one of Asia's most cosmopolitan and exiting cities, known as "Krungthep" which means the City of Angels. Major tourism attractions include glittering Buddhist temples, Royal palace, timeless canal and river scenes, classical dance extravaganzas, legendary nightlife and numerous air-conditioned shopping centers.

Based in Bangkok, VIPBangkok knows all the ins and outs. VIPBangkok is not an ordinary travel agent, we don't have standard packets. We serve tailor-made holiday's.

VIPBangkok is under European & American management, so we know and understand your needs.

Bangkok's party scene is changing fast, we know what's hot and where to go on what day.

Our concept is very simple, in short, we bring small groups to Bangkok and the Islands and offer the best holiday, tailored to your needs and interest. Party, sightseeing and much much more...

As expats living in this extraordinary city, we have or finger on the urban pulse and would like to share this unique knowledge that goes beyond the obvious tourist trails.
