

Koi Restaurant & Lounge Bar

Chic and sexy are the words to describe this restaurant dominated by dark wooden floors and subdued red light. A tunnel of dark glass lit with candles makes the entrance. After dinner, go to the separate bar lounge and ogle the beautiful people there.

Koi Bangkok is a spacious award winning Restaurant & Lounge Bar, member of Koi Group, USA. Koi presents a unique combination of excellent Japanese cuisine with a Californian twist and sensual atmosphere with chic and comfortable décor. Koi Lounge is one of hippest places to be seen in Bangkok and a hangout for international models.
